Summary

Woolworths Phone Plan 30

Welcome to Woolworths Phone Plans. We look forward to helping you stay in touch with your friends and family. Below are a couple of important things we wanted to let you know about your Woolworths Phone Plan.

1 Information About the Service

Woolworths provide you with a service on the mobile network used by Woolworths Limited. To use this network you must first sign-up to a **Woolworths Phone Plan** and activate a SIM card which will provide you with the ability to make and receive calls, SMS, MMS data and other mobile services.

Mobile Handset

In order to take up the Woolworths Phone Plan, you must also purchase an eligible mobile handset from Woolworths. Your Minimum Monthly Charge includes a partial subsidy for your eligible mobile handset but you must also pay any additional monthly fee for your selected handset during the Minimum Term. This fee will depend on your selected handset and will be stated on your Application for the Mobile Post Paid Service (**Handset Fee**).

Minimum term

The Woolworths Phone Plan has a minimum term of 24 months.

What do you get and what is included & excluded?

Element	How much and what are the rules?
Included Value	\$1,000 each month for most national calls, MMS and other mobile services Woolworths provides to you. You cannot use it for calls and messages to international and satellite numbers. Unused allowance expires monthly.
Standard national SMS	Unlimited - while in Australia, you can send standard SMS to other Australian mobile numbers without incurring any additional charges.
National calls to other Woolworths Mobile Services	Unlimited - while in Australia, you can call any other number that is connected to a Woolworths Mobile Service without incurring any additional charges.
Data Allowance	1GB each month - for data usage while in Australia. All data usage is rounded up to the nearest 1KB. Unused allowance expires monthly.
Optional International and Extras Extension	International and Extras Extension (if you activate it) will enable you to make calls and send messages to international and satellite numbers and use extra services such as video calls/MMS to Australian numbers, Dial IT Time & Weather, Directory Assistance, and SMS to 13/1300/18/1800 numbers if your Included Value and any Add-On Pack value is exhausted. If you activate this extension, you must choose a limit (in multiples of \$10 and with a maximum of \$100) up to which you can make these calls and use these services.

- (a) Once you have exceeded either the Included Value limit or the Data Allowance, you will not be able to use that part of your service until the start of your next month (based on the date when you connected your Woolworths Phone Plan). However you will always be able to make calls to emergency services (000 and 112 numbers), receive calls and SMS/MMS, and call Customer Care.
- (b) During any month, you can purchase Data and/or Included Value Add-On Packs which will give you additional amounts (\$/MB) to use during that month. For details about the Voice and Data Add-On Packs, please visit www.woolworths.com.au/mobile
- (c) The following services are **not available** with your Woolworths Phone Plan:
- Premium Services;
 - International Roaming;
 - calls or SMS to the following types of numbers: "19xx", "0055", "1234", "12455" and "12456"; and
 - any activity prohibited under the Acceptable Use Policy, for example: MVOIP, SMSIP and sim boxing.
